EXHIBITOR REGISTRATION

The badging system is essential to ensure safety and security at any event. Therefore, Show Management has instructed security personnel to allow only badged personnel within the exhibit area. Under no circumstances will anyone be allowed on the exhibit floor without proper show identification. We ask for your cooperation and attention in complying with this system; it is to the benefit of all concerned.

EXHIBITOR ALLOTMENTS

Exhibitors will receive 4 complimentary booth personnel badges per 10' x 10' (100 sq. ft.) exhibit space.

All approved show talent such as models, magicians, celebrities or any person hired to perform a service within the booth space and is not an employee of the exhibiting company may be issued a wristband to access the expo at the registration counter 30 minutes prior to the opening of the expo.

ATTENDEE LEAD FOLLOW-UP SYSTEM

Attendee badges can be scanned to help you quickly capture pertinent information for follow-up after the show. By ordering Experient's Lead Retrieval Unit, exhibitors are able to easily and accurately collect data from attendees in their booths. We recommend ordering this service in advance (early bird deadline is February 13, 2018, and the advanced deadline is February 28, 2018).

RULES & REGULATIONS

Exhibits are required to conform to the following rules and regulations. Exhibits must be in compliance prior to the end of exhibit set-up. These regulations will ensure all exhibitors, regardless of size, an equal opportunity, within reason, to present their product(s) in the most safe and effective manner possible.

In addition to the terms on the exhibit space contract your company signed, these rules are an integral part of our contract with you. If you have any questions or need an explanation of a regulation, please contact Vanessa Cruz, Exhibit Operations Manager at vanessa.cruz@informa.com

Rules and Regulations are subject to change.

AMERICANS WITH DISABILITIES ACT

Exhibitors must acknowledge their responsibilities under the Americans with Disabilities Act (ADA) to make their booth accessible to persons with disabilities. The key publications of concern to exhibitors are the ADA's Title III Regulations and Guidelines for Small Businesses. - Rough or unfinished edges are not permitted.

Landings should be at least as wide as the ramp and should be at least five feet in length. Exhibitors shall also indemnify and hold harmless Informa Exhibitions LLC, SupplySide East, SMG and Meadowlands Exposition Center against cost, expense, liability or damage which may be incident to, arise out of, or be caused by Exhibitor's failure to have their booth comply with requirements under the Act.

If not preregistered, they must register on-site; however, they are not charged the on-site registration fee. Children under the age of 18 are not permitted to attend sessions in classrooms. This can be disruptive to other attendees, the speaker(s) and the recording of the class.

NON-EXHIBITING COMPANIES/SUITCASING

There are suppliers who will attend SupplySide East 2018, but do not exhibit. Some non-exhibiting suppliers may attempt to "suitcase" the Show, to approach attendees and exhibitors for the purpose of selling their product in the aisles. Suite-casing is the act of soliciting business in the aisles during the exhibit or in other public spaces, including another company's booth or a hotel lobby. This practice is prohibited by SupplySide East and Show Management. Anyone observed approaching buyers in the aisle or in an exhibitor's booth, who is not a legitimate exhibitor, should be reported to Show Management. This will be strictly enforced with the intent of preserving the integrity of the Show and maintaining a good relationship between buyers and exhibitors.

PHOTOGRAPHY REGULATIONS

Exhibitors must authorize all photographs of their booth!

Photography and/or filming of any display or product other than the exhibitor's own is prohibited unless permission has been obtained from SupplySide East Show Management and the firm whose booth is being photographed/ filmed. The exemption to this is the SupplySide East official photographer. Any imagery collected by this photographer (who will be properly badged and identified) will be used for the sole purpose of SupplySide East 2018 promotion.

PRODUCT DEMONSTRATIONS

All displays, product demonstrations, and sales activities in the exhibit hall must be kept within the confines of your contracted booth space. Selling in the aisles, hosting audiences in the aisles, booth encroachment into the aisles, distributing literature in the aisles, etc., will not be tolerated. This is not only unfair to your fellow exhibitors, but blocking aisles creates a potentially unsafe situation which could lead to the show floor being shut down by the fire marshal. Please be considerate to your fellow exhibitors – refrain from soliciting their business during show hours (when they are trying to make a sale).

RULES & REGULATIONS

Show Management will provide general perimeter security. Exhibitors must make provisions for the safekeeping of their goods before the opening, during and after the closing of the show. No responsibility is assumed by Show Management, or any of its contractors, for lost or damaged merchandise. Exhibitors must insure their goods at their own expense. Exhibitors can order security for their booth by contacting Meadowlands Exposition Center Security at (201) 330 – 8227.

Customers are responsible for avoiding the prohibited activities and strictly following the AUP terms set forth herein.

AUP Coverage

The Big Red Pin Inc. Acceptable Use Policy ("AUP") applies to the services that provide (or include) access to the Internet, services provided over the Internet (collectively "Services"). Customer is responsible for the actions of others who may be using the Service(s) Under Customer's account. Big Red Pin Inc. does not, as an ordinary practice, proactively monitor the activities of those who use its Service(s) or exercise any editorial control over any material transmitted, hosted or posted using Services to ensure that its Customers comply with the AUP and/or the law, although it reserves the right to do so. If Big Red Pin Inc. is alerted to violations or potential violations of this AUP, Big Red Pin Inc. will take whatever measures it deems necessary and appropriate to stop or prevent such violations including the actions described in this AUP. For example, Big Red Pin Inc. may in its sole discretion refuse to transmit, screen, or edit content prior to delivery of the Service(s), block access to certain categories of numbers or certain sites as Big Red Pin Inc. determines needed to enforce these policies.

If your Service is suspended or terminated for any AUP violation, you must get written approval from Big Red Pin Inc. (outside of the normal ordering process) prior to reactivating or ordering new service. In any case, Big Red Pin Inc. may, in its discretion, decline to reinstate your Service. If Big Red Pin Inc. approves you for reinstatement or new service, set-up fees, reactivation fees, or deposits may apply. If Big Red Pin Inc. discovers that you have renewed Service, or ordered new Service, following termination for an AUP violation without the prior written consent of Big Red Pin Inc., it may terminate your Service without further notice. In such case, you are responsible for any applicable early termination charges.

Big Red Pin Inc. will not issue any refunds, credits or other forms of compensation for the period when Service(s) have been suspended as a result of violation(s) or alleged violation(s) of this AUP. Big Red Pin Inc. has a zero tolerance policy regarding use of its Service to engage in inappropriate conduct with a minor (anyone under 18 years of age). Violation of the CAN-SPAM Act of 2003, or any state or federal law regulating e-mail services, constitutes an automatic violation of this AUP and Big Red Pin Inc. reserves the right to seek damages and other available relief against Customer, as applicable.

Spam/E-mail/Usenet Abuse is prohibited on Big Red Pin Inc. Services. Examples of Spam/E-mail/Usenet Abuse include but are not limited to the following activities:

- Sending unsolicited electronic mail messages and "mail-bombing" (sending mass unsolicited e-mail messages to a single user, or group of users, commercial or otherwise, or deliberately sending very large attachments to one recipient) using Service(s) are prohibited;

- Spam damages: Because spam related damages are often difficult to quantify, in those cases where the actual damages cannot be reasonably calculated, Big Red Pin Inc. reserves the right to seek from the Customer liquidated damages in the amount of five dollars (\$US5.00) for each piece of "spam" or unsolicited bulk e-mail transmitted from or otherwise connected with Customer's account, in addition to any other rights and remedies Big Red Pin Inc. may have in contract, law, and equity.

If the excess use continues after such notification, the owner may be requested to upgrade the type of account or to modify the activity creating the excess use, or the account may be terminated.

If excessive bandwidth, disk space utilization, simultaneous connections, aggregate data download or upload, or session length is determined to adversely affect Big Red Pin Inc.'s ability to provide service, immediate action may be taken. The account owner may be notified by e-mail as soon as practical thereafter.

Customer Responsibilities

DEAR EXHIBITOR

For your information and convenience, the following policy will be in effect regarding cooking and food warming devices on the event floor of the Meadowlands Exposition Center.

The Fire Marshall of Secaucus has interpreted the fire regulations for use of permanently installed deep fryers to be accompanied with an automatic fire suppression hood system. Since all deep fryers contemplated for use at this show are deemed to be temporary installations, only an **ABC Dry Chemical Fire Extinguisher** is necessary to accompany each deep fryer in each booth.

Cooking with propane or butane is strictly prohibited by the Meadowlands Exposition Center and the Secaucus Fire Marshall. Exhibitors in need of a Fire Extinguisher, may order directly from the Expo Center or utilize their own equipment to meet this requirement. **Each vendor anticipating using a deep fryer or any other cooking device, will be responsible for an updated Fire Extinguisher and must be aware that spot inspections will take place. Vendors not in compliance with the Secaucus Fire Regulations could face fines.**
