### Official Vendors and Ordering Information

SupplySide East has partnered with several service providers to offer you everything you need to have a successful show. All services and/or furnishings should be ordered in advance to save you money and ensure a timely move in. Use the Deadlines Checklist to keep track of important deadlines and Official Contractors list for contact information.

### Hotel & Travel Information

onPeak is the Official Housing Provider of SupplySide East. Always look for the onPeak Official Housing Vendor seal when you're making hotel reservations. If you book with anyone else, you give up the benefits negotiated by our housing department. Neither onPeak, nor SupplySide East have any affiliation with these organizations and cannot vouch for their services in any way. Entering into financial agreements with non-endorsed companies can potentially cost you thousands of dollars with no guarantee of an actual hotel reservation. Reservations through these agencies or companies are made at your own risk and responsibility.

### Lead Retrieval

Attendee badges can be scanned to help you quickly capture pertinent information for follow-up after the show. By ordering a Cvent Lead Retrieval Unit, exhibitors can easily and accurately collect data from attendees in their booths.

We recommend ordering this service in advance (early bird deadline is March 11, 2019, and the advanced deadline is March 25, 2019) using Cvent Lead Retrieval Order Form located in the Exhibitor Service Kit.

**Shipping Information**

To ensure the receipt of your exhibiting materials on time and to avoid unloading delays on-site, we recommend shipping to the advance warehouse. All shipping information and associated costs can be found on the Material Handling form of the Exhibitor Service Kit. Use provided shipping labels in the Exhibitor Service Kit to expedite handling.

As your Client Services Specialist, I am here to help you plan a successful show. If you should have any questions, please don't hesitate to contact me.

Sincerely,

Jenilee Dulay

## SHOW RULES AND REGULATIONS

Exhibits are required to conform to the following rules and regulations. Exhibits must be in compliance prior to the end of exhibit set-up. These regulations will ensure all exhibitors, regardless of size, an equal opportunity, within reason, to present their product(s) in the most safe and effective manner possible.

In addition to the terms on the exhibit space contract your company signed, these rules are an integral part of our contract with you.

Rules and Regulations are subject to change.

### **AMERICANS WITH DISABILITIES ACT**

Exhibitors must acknowledge their responsibilities under the Americans with Disabilities Act (ADA) to make their booth accessible to persons with disabilities. The key publications of concern to exhibitors are the ADA's Title III Regulations and Guidelines for Small Businesses. These can be viewed via <http://www.ada.gov/> Exhibitors with complex displays should pay special attention to the following conditions:

- Platforms and steps should not be used, or alternative access must be provided in the form of ramps with a grade of not more than one inch to one foot.
- The maximum rise for any run is 30 inches.
- Ramps with a rise of more than six inches, or a run longer than six feet, should have railings on both sides.
- Ramps must have edge protection in the form of curbs, walls or railings, and must have level landings at the bottom and top of each ramp.
- Rough or unfinished edges are not permitted.

Landings should be at least as wide as the ramp and should be at least five feet in length. Exhibitors shall also indemnify and hold harmless Informa Exhibitions LLC, SupplySide East, SMG and Meadowlands Exposition Center against cost, expense, liability or damage which may be incident to, arise out of, or be caused by Exhibitor's failure to have their booth comply with requirements under the Act.

### **AGE RESTRICTIONS**

No one under of the age of 18 is allowed on the show floor without direct adult supervision at all times. At no time are persons under the age of 18 allowed on the show floor during move-in and move-out – even if supervised. This is strictly enforced. Young children (infants being held or children in strollers) can be admitted without a badge. All other children, regardless of age, require a badge. If not preregistered, they must register on-site; however, they are not charged the on-site registration fee. Children under the age of 18 are not permitted to attend sessions in classrooms. This can be disruptive to other attendees, the speaker(s) and the recording of the class.

### **AISLE SPACE**

Aisles, passageways and overhead spaces remain strictly under the control of SupplySide East. No signs, decorations, banners, advertising matter or special exhibits may protrude into the aisle or encroach upon neighboring booths. Uniformed attendants, models and other employees must remain in the booths occupied by their employers. All advertising material must be distributed from the exhibitor's booth

## SHOW RULES AND REGULATIONS

### AMENDMENT TO REGULATIONS

All regulations outlined in this document will remain in effect during the entire installation, show days, and dismantling. In addition to these regulations, those outlined in SupplySide East's Exhibit Space Application & Contract (SupplySide East Terms & Conditions) will also be in effect and enforced. Any and all matters not specifically covered by either of these documents will be subject solely to the judgment of SupplySide West Show Management and may be amended at any time, with reasonable notice.

### BALLOONS

The use of balloons must be approved in advance by show management. No lighter-than-air balloons are allowed. Overnight storage of helium or compressed air cylinders in the building is prohibited. An exhibitor may use display balloons if they are tethered to the ground in their booths. These are treated as hanging signs and are allowed in island booths 400 SF (20'x20') and larger. Any balloon that becomes loosened or damages air ducts/vents will have a clean-up fee charged to the exhibitor.

- Hire SMG to act as your Exhibitor Appointed Contractor (EAC) to perform this work.
- Hire an Exhibitor Appointed Contractor (EAC) to perform this work. All EACs must have the appropriate credentials uploaded to [Exhibitor Insurance](#) before they will be allowed on show floor. EACs must submit credentials by March 25, 2019.

### **CHEMICAL SOLUTION DISPLAY**

Hazardous chemicals are prohibited on the show floor. Exhibitors may display empty product containers.

### **COLUMNS**

Should an exhibit space have a column in or next to it, the exhibitor is prohibited from attaching anything directly onto that column. If any part of the column is within the exhibit space, the exhibitor, at their expense, may drape the column by ordering appropriate pipe and drape from SMG, which will surround, but not actually adhere to the column. All fire extinguishers and fire hose cabinets, as well as electrical boxes, must remain easily accessible and clearly visible. Please design your booth display accordingly.

### **DEMONSTRATIONS AND ENTERTAINMENT**

As a matter of safety and courtesy to others, exhibitors should conduct presentations and demonstrations in a manner which assures all exhibitor personnel and attendees, as well as the sound and entertainment itself, are within the limits of the contracted exhibit space and do not overflow into aisle space or neighboring exhibit spaces. It is the responsibility of each exhibitor to arrange displays, product or machinery in a manner that will ensure compliance. Show Management reserves the right to determine at what point sound constitutes interference with others and must be discontinued. Sound levels may not be higher than 85 decibels from a minimum of ten feet away. In addition, all samples, literature and giveaways must be distributed within the limits of the contracted exhibit space.

### **DEMO HOURS AND SET-UP CONSIDERATIONS**

### **MACHINERY DEMONSTRATIONS**

Any powered machinery working on stone must be equipped with safety devices to shut the machinery off if an attendee gets within an unsafe area while the machine is cutting. All water must be contained within the demonstration area and disposed of outside the exhibit hall and not via Mandalay Bay Convention Center sinks or restrooms. Water leaking into the exhibit hall or aisle will result in the demonstration being closed until the water is contained and the area is dry.

## SHOW RULES AND REGULATIONS

All product demonstrations involving any moving and potentially hazardous machines, displays or parts must have hazard barriers to prevent accidental injury to spectators. Demonstrations must always be supervised by exhibitor personnel who can stop the demonstration in an emergency. Demonstrations must be set back at least 3ft (.914m) from the aisles.

### **DISMANTLING**

All displays **MUST** remain intact until the official close of the show. No exhibitor may begin dismantling, packing or move-out prior to close of the show at 3:30 pm on Wednesday April 10, 2019. Early dismantling, packing or move-out may result in loss of future exhibit opportunities.

### **DOOR PRIZES/EXHIBITOR GIVEAWAYS**

Exhibitors are allowed to register attendees for prizes and giveaways. All activity must take place within the confines of the exhibitor's booth. **NO** announcements over the public address system will be allowed for such activities.

### **EXHIBITOR APPOINTED CONTRACTORS (EAC)**

An Exhibitor Appointed Contractor (EAC) is any company, other than the designated official contractors listed in this manual, an exhibitor wishes to use, and which requires access to the exhibit hall before, during or after the show. These include independent display/installation & dismantle companies or anyone who is not an employee of your company that you will have working on your booth, equipment and products.

### Rules & Regulations Governing EACs

- The EAC will refrain from placing an undue burden on SMG by interfering in any way with SMG's work.
- The EAC will not solicit business on the show floor at any time.
- The EAC will cooperate fully with SMG and will comply with existing labor/union regulations or contracts as determined by the commitment made and obligations assumed by Show Management in any contracts with SMG.
- ALL EACs and their labor must have EAC wristbands given through Security. No one will be allowed on the show floor without a wristband.
- EACs will not be permitted to store equipment in the Convention Center. Due to limited space and fire regulations, all equipment must be stored off the premises. If found, equipment will be removed from the building at the EAC's expense.
- Under no circumstances will the EAC be allowed to remove floor-marking tape until the close of the

Exhibits and displays may not obstruct any aisles or public spaces.

### GOOD TASTE AND THE RIGHTS OF OTHERS

Show Management may require any exhibitor to make changes in his or her exhibit if, in Show Management's opinion, the exhibit does not conform to prevailing standards of good taste. Changes will also be required if the exhibit interferes with the rights of others.

In addition, no decals or other adhesive materials shall be applied or affixed to the walls, pillars or floor of the exhibit areas. Exhibitor shall not post any sign of any description except within the confines of the exhibit space assigned.

### INSURANCE/LIABILITY

Liability insurance, property insurance and worker's compensation insurance must be taken out by each exhibitor at its own expense and must comply with state laws. Insurance can be obtained by the exhibitor's insurance company. A rider to existing policies may be taken out providing complete protection for the period of the Show, from move-in to move-out.

All exhibitors must carry and maintain insurance. DO NOT send a copy of your certificate of Insurance (COI) to Show Management, keep a copy of the COI in the booth. These requirements are stated in the terms and conditions section of the booth contract. Our requirements are as follows:

- Exhibitor shall **carry and maintain** during the period of the Expo, including move-in and move-out days, and at its sole cost and expense, personal injury and proper damage coverage under policy of general public liability insurance.
- The policy must have limits of at least \$1,000,000 combined single limit for bodily injury and property damage.
- The policy must name Informa Exhibitions LLC (2020 N. Central Ave, Suite 400, Phoenix, AZ 85004) as Certificate Holder and as an additional insured.
- List show name- **SupplySide East** in the Description of Operations.

### LIGHTING & RECORDING REGULATIONS

Lighting can be an integral part of an exciting exhibit presence. However, in the interest of fairness and safety, the following guidelines have been established:

- The use of flashing or strobe lights in an exhibit is not permitted. Garish neon lighting will not be permitted.
- Any overhead/truss lighting must fall within the booth boundaries of the exhibitor's contracted booth space and may not extend outside these lines into airspace over the aisles or neighboring booths.
- Directional or projected lighting must be aimed into the exhibitor's own booth space and may not be projected into neighboring exhibit spaces, the aisles, or ceiling. Video projection equipment and screens must be located in the rear one-third of in-line (10' deep) booths, and in the center area of island and peninsula booths.
- Lighting may not be shined directly at attendees. Use of any potentially harmful lighting devices (lasers, UV lighting) must obtain prior approval from Show Management and correspond to national safety standards.

### **MATERIAL HANDLING**

Exhibitors May:

- As an exhibitor you may “hand carry” material. Hand carry is defined as small items such as cartons and packages that an exhibitor is able to carry.
- The assistance of any motorized device or pallet jack is not permitted.
- When exhibitors choose to “hand carry” they may not access designated material handling areas.
- Must use specified exhibitor hand carry areas or main entrance of the facility.

### **MUSIC LICENSING**

Exhibitors using music in their booth, either live or mechanical, must provide Informa Exhibitions with a copy of the exhibitor’s Licensing Agreement with ASCAP, BMI, SESAC or other such licensing organization or must expressly warrant in writing to Informa Exhibitions that no such license is required due to exemption under 17 U.S.C. § 110 (5) or other specified exemption. Further, should Exhibitor play music, Exhibitor agrees to indemnify and hold Informa Exhibitions and/or SupplySide West harmless from any action brought against Informa Exhibitions or SupplySide East by ASCAP, BMI, SESAC or other licensing organization for the playing of such music.

### **NON-EXHIBITING COMPANIES/SUITCASING**

There are manufacturers and distributors who will attend SupplySide East, but not to exhibit. Some non-exhibiting suppliers may attempt to “suitcase” the Show, to approach buyers and exhibitors for the purpose of selling their product in the aisles. Suitcasing is the act of soliciting business in the aisles during the exhibit or in other public spaces, including another company’s booth or a hotel lobby. This practice is prohibited by SupplySide West and Show Management. Anyone observed approaching buyers in the aisle or in an exhibitor’s booth, who is not a legitimate exhibitor, should be reported to Show Management. This will be strictly enforced with the intent of preserving the integrity of the Show and maintaining a good relationship between buyers and exhibitors. If you see a non-exhibitor trying to sell, or “suitcase” at the show, please pass their information on to Show Management as soon as possible. We will do everything we can to curtail unfair (and unacceptable) sales practices.

### **PHOTOGRAPHY REGULATIONS**

Exhibitors must authorize all photographs of their booth! Photography and/or filming of any display or product other than the exhibitor’s own is prohibited unless permission has been obtained from SupplySide East Show Management and the firm whose booth is being photographed/ filmed. The exemption to this is the SupplySide East official photographer. Any imagery collected by this photographer (who will be properly badged and identified) will be used for the sole purpose of SupplySide East promotion.

### **PRODUCT DEMONSTRATIONS**

All displays, product demonstrations, and sales activities in the exhibit hall must be kept within the confines of your contracted booth space. Selling in the aisles, hosting audiences in the aisles, booth encroachment into the aisles, distributing literature in the aisles, etc., will not be tolerated. This is not only unfair to your fellow exhibitors, but blocking aisles creates a potentially unsafe situation which could lead to the show floor being shut down by the fire marshal. Please be considerate to your fellow exhibitors – refrain from soliciting their business during show hours (when they are trying to make a sale).

## SHOW RULES AND REGULATIONS

### **PROTECTION OF PROPERTY**

Show Management will provide general perimeter security. Exhibitors must make provisions for the safekeeping of their goods before the opening, during and after the closing of the show. Exhibitors can order security for their booth by contacting Meadowlands Exposition Center Security at (201) 330 – 8227.

DEAR EXHIBITOR

For your information and convenience, the following policy will be in effect regarding cooking and food warming devices on the event floor of the Meadowlands Exposition Center.

The Fire Marshall of Secaucus has interpreted the fire regulations for use of permanently installed deep fryers to be accompanied with an automatic fire suppression hood system. Since all deep fryers contemplated for use at this show are deemed to be temporary installations, only an **ABC Dry Chemical Fire Extinguisher** is necessary to accompany each deep fryer in each booth.

Cooking with propane or butane is strictly prohibited by the Meadowlands Exposition Center and the Secaucus Fire Marshall. Exhibitors in need of a Fire Extinguisher, may order directly from the Expo Center or utilize their own equipment to meet this requirement. **Each vendor anticipating using a deep fryer or any other cooking device, will be responsible for an updated Fire Extinguisher and must be aware that spot inspections will take place. Vendors not in compliance with the Secaucus Fire Regulations could face fines.**
